

Early Season Control Said Best for Cotton Insects

Early season controls were stressed at a cotton insect meeting held Thursday night in the District Courtroom here. K. P. Ewing, entomologist from the Waco Experiment Station, stated before approximately 100 farmers at the meeting that the insect control program for 1952 will be essentially the same as last year.

Community action in combating cotton insects was also stressed by Ewing who said, "the individual farmer can make a success of the control program, but it is a lot more effective and less expensive if done on a community basis."

George Davis, district entomologist, gave cost figures on 14 demonstration plots in Wilbarger County last year. These 14 plots contained a total of 1153 acres and produced 1,426,059 pounds of seed cotton which ginned out 306,772 pounds of lint and 464,071 pounds of seed. Approximate cost of the poison for the 14 plots was \$6,386.70 which breaks down to \$5.55 per acre. From these

figures Davis concluded that 14 pounds of lint cotton per acre would have paid for an insect control program in Wilbarger County last year.

Normal growth, earlier fruiting, earlier maturity, better yields, and better grade were some of the advantages of the early season control listed by Ewing. In the Waco area 95 per cent of the old Winter boll weevils are out of hibernation by June 5 on an average according to Ewing. For this reason the last application in the early season program should be put on between June 5 and June 10 unless unusual weather causes the weevils to be later in coming out. Quitting at the proper time was pointed out by Ewing as being as important as starting at the proper time. In the Waco area early season controls are not effective on cotton planted after June 1, according to Ewing.

Spraying was lauded by Ewing who attributed much of the participation in the early season control to the use of sprays. Daytime application, use when the wind is blowing, and the fact that spray sticks to young plants better than dust were a few of the advantages given by Ewing who also stated that dusts could be very effective when properly used. Ewing believes there has been more success in cotton insect control in the last five years than in any other period of his more than 30 years experience. He attributes this to the new insecticides and research done with them.

Slides shown to the group by Ewing illustrated his work in community control projects in Central Texas.

L. E. Key, Chairman of the Five County Insect Control Committee and Wilbarger Seven Step Cotton Committee, presided at the meeting and gave some of his experiences in cotton insect control. Key urged all the communities of this area to get together and carry out an effective insect control program on the coming cotton crop.

Farm Bureau Group To Meet in Crowell

Farm Bureau representatives from four counties will meet in Crowell Monday to work out agreements in attempt to improve the Farm Bureau hospitalization plan according to H. A. Blevins, president of the Wilbarger County Farm Bureau.

Blevins and H. T. Cardwell Jr., secretary-treasurer of the local bureau, will represent Wilbarger County at the meeting which will include representatives from Hardeman, Foard, and Cottle counties.

Four-county groups throughout Texas are holding similar meetings this month in connection with the hospitalization plan.

ENTOMOLOGIST SPEAKS—County Agent Frank Wendt, left, and District Entomologist George Davis, center, listen attentively to K. P. Ewing, Waco Entomologist, speaking at the cotton insect meeting in the District Courtroom here Thursday night.

Ike and Kefauver Are Under Fire

(By The Associated Press)

Two of the presidential sweepstakes runners were under fire today (Friday) on the touchy question of racial segregation.

They were the Republicans' General Eisenhower and the Democrat Senator Kefauver. Both were criticized by a Negro official for what he said was their attitude toward Negroes in the armed services.

Clarence Mitchell, Washington Bureau director of the National Association for the Advancement of Colored People (NAACP), said Kefauver once voted for race segregation in the armed forces, and Eisenhower had told NAACP that Negro soldiers mixed with white "would be at a disadvantage."

The Tennesseean's office said Kefauver once backed a proposal to let men in uniform decide whether they wanted to serve in segregated or non-segregated units. No one offered any comment for the general.

Senator Taft was under fire too—for a statement that he has "no confidence" in the present chiefs of staff. Senator Morse (R-Ore) said, without naming him directly, the GOP candidate should not shake public confidence in the military leadership.

Taft himself was in the Far West campaigning briskly and talking about everything from potatoes to foreign policy.

Kefauver was in New Hampshire on a leisurely grass roots tour.

In strongly Democratic Louisiana, the State's handful of Republicans were holding the political headlines. An Eisenhower faction demanding a voice in the pro-Taft GOP State Central Committee said a court decision today may play a role in the presidential race.

The Eisenhower faction wants the court to force the Taft forces—who hold party authority—to recognize returns of a Jan. 13 primary in which the general's forces unexpectedly won ten committee seats.

In Washington, a sampling of Senate opinion indicated Democrats are sharply divided on whether President Truman should run again. Truman said yesterday he faces a "difficult decision" in making up his mind.

DISEASE DECREASES

Tokyo, Feb. 15. (AP)—Disease among American troops in Korea is 20 per cent lower than during the occupation after World War II, general headquarters said to-

SEC Chairman Is Given Clean Bill By House Probers

Committee Says There Is No Evidence That McDonald Is Dishonest.

Washington, Feb. 15. (AP)—A House committee investigating the Securities and Exchange Commission reported today it has "no credible evidence reflecting adversely upon the honesty and integrity of" SEC Chairman Harry A. McDonald.

McDonald has been nominated as administrator of the Reconstruction Finance Corporation but the Senate banking committee has refused to act on the appointment while the House inquiry is under way.

The House group, a subcommittee of the interstate committee, made its report on McDonald to Chairman Maybank (D-SC) of the Senate committee.

Rep. Heller (D-NY), head of the House group, wrote Maybank that his committee concurred "unanimously" in the report.

Heller said McDonald had requested a prompt review of the record.

"Thus far," he informed Maybank, "only two witnesses have made certain charges of impropriety against Mr. McDonald's conduct while in office as commissioner and chairman of the Securities and Exchange Commission. These witnesses were Mr. Randolph Phillips and Mr. Preston T. Tucker."

"Mr. McDonald, in subsequent appearances before this subcommittee, has denied all charges of impropriety attributed to him by Messrs. Phillips and Tucker. Based upon the testimony thus far presented, the subcommittee is unanimously of the opinion that he has no credible evidence reflecting adversely upon the honesty and integrity of Mr. McDonald as a member of the Securities Exchange Commission."

Aged Man Found Dead in His Home

An inquest verdict of death by natural causes was returned Friday by Justice of the Peace C. W. Shepherd in the death of an aged recluse on a farm one-half mile north of Oklaunion.

The man, William Jones, 91, was found dead in bed at his home on the C. E. McAdams farm in the Oklaunion community.

He came to Wilbarger County from Kansas City, Kan., a number of years ago. There are no known relatives surviving.

Funeral services will be held Saturday afternoon at the Cato Funeral Home chapel. Burial will be in East View Memorial Park.

Taft and Ike Forces To Collide Saturday

Fort Worth, Feb. 15. (AP)—Taft and Eisenhower forces are expected to collide tomorrow at a meeting of the Republican State Executive Committee.

The meeting has been called for the principal purpose of selecting a site for the State GOP convention May 27.

It will be the committee's first meeting since November, 1950, which was marked by a fight by Jack Porter, Houston, to replace Henry Zweifel, Fort Worth, on the National committee.

Zweifel won the decision.

Snow Falls Over Wide Areas Of Drouth-Stricken Texas; Rains Also Being Forecast

(By The Associated Press)

Snow fell today over wide areas of drouth-stricken West Texas. Although it was moderately heavy in some Big Bend areas, it was not heavy enough elsewhere to help much. But the Weather Bureau said more snow and rain may come.

The snow began about midnight in the extreme West Texas area around El Paso. By 2:30 a. m. it had swung eastward to Big Spring and Wink. By dawn it was falling at Lubbock, Midland, Junction and Abilene.

Much of it melted as it fell. Light rain accompanied the light snow at Abilene, Wink and Junction.

The Weather Bureau said rainclouds were expected to overspread the State by nightfall and that spotted rain was expected over most of Texas.

Heavy rain and hail peppered parts of Southeast Texas yesterday as blinding clouds of red dust swirled over the upper portion of the State from New Mexico to Louisiana.

The Mexican Government said heavy snowfalls in the mountains on the U. S. side of the Rio Grande watershed will supply enough water for irrigation in the Ciudad Juarez No. 1 irrigation district.

Irrigation pumps in the El Jardin water district, south of Brownsville, pumped yesterday for the first time in 31 days. But Laguna cotton growers asked the Mexican Government permission to drill 500 new wells to obtain additional irrigation water.

Nearly two inches of rain was reported at Port Arthur. Heavy hail and rain that lasted 15 minutes struck the Moss Hill community 12 miles north of Liberty.

Hardeman County Calf Show Set

Quanah, Feb. 15. (AP)—The dates for the annual Hardeman County FFA and 4-H Club Livestock and Project Show were set for Thursday and Friday, April 10 and 11, at a meeting of FFA and 4-H Club members, their parents, business men and other interested persons at a meeting in Quanah this week.

The show will be held in the Charlie Baskett Ford building in Quanah for the third year and will again remain open until 10 o'clock the first night in order that the exhibits may be viewed after the closing hours of business houses.

County Farm Agent Ray Stockard and Walker P. Todd, FFA adviser, who will be in charge of the show, announced that only 17 baby beavers are being fed out for the competition. It is believed that the quality of the calves will be better than in previous years.

The show this year will be larger as a number of new classes have been added and prizes will be awarded in each class.

Weather

Temperature readings for the past 24-hour period ending at noon Friday:

| | |
|--------------|------------|
| Maximum | 52 degrees |
| Minimum | 38 degrees |
| Noon reading | 38 degrees |

Forecast: Cloudy and colder with occasional light rain this afternoon and early tonight. Lowest temperatures 30-36 tonight. Saturday partly cloudy and cool.

Houston reported afternoon showers.

At Saratoga, in Hardin County, there was a brief hail storm followed by rain. Honey Island also had hail. Cleveland and Romayer in North Liberty County reported light rain and no hail.

The Rio Grande flow, reported at 138 feet of water per second, was created by closing pumps Wednesday from Brownsville upriver to Los Fresnos. E. I. Gilson, manager of the El Jardin District, said he hoped to replenish domestic water before wholesale irrigation pumping gets underway.

Guilty Plea Entered in Theft Case

Eddie Dale Allison entered a plea of guilty to charges of theft over \$50 in 46th Judicial District Court Friday and was assessed a two year term in the State Penitentiary.

The charges against Allison grew out of the breaking of an automobile theft ring here involving the theft of three Wilbarger County automobiles and one from Wichita County.

District Attorney Leon Douglas said that a motion was being prepared to revoke a 5-year suspended sentence against Allison. Allison received the suspended sentence on charges of forgery here two years ago.

Douglas said that should the suspended sentence be revoked, then the sentences would run consecutively.

W. C. Francis, charged with receiving stolen property, and Melvin Canafax, charged with auto theft—both in connection with the auto theft ring—will be bound over to the next term of court, Douglas said.

Francis is free on \$3,000 bond in Wilbarger County and also has made bond in Wichita County. Canafax has not made bond.

Bolton Funeral Conducted Here

Funeral services were held at 2:30 this afternoon for Mrs. Jennie Pearl Bolton, 66, who died in a Dallas hospital Wednesday night. Mrs. Bolton, a resident of Vernon since 1921, had been ill for several weeks.

Rites were conducted at the First Methodist Church with the pastor, Rev. Marshall Rhew, officiating. He was assisted by Rev. M. P. Hines. Burial, under direction of the Underwood Funeral Home, was in East View Memorial Park.

Born on Nov. 10, 1885, in Tarrant County, she is survived by five daughters, three sons, five brothers, five sisters, four stepsons and four step-daughters.

Pall bearers were W. J. Matney, W. W. Barnes, W. C. White, M. E. Barnhill, John Bishop and R. L. King.

WILL BE CANDIDATE

Laredo, Feb. 15. (AP)—Abraham Kazen, Jr., will be a candidate for State Senator from the new 21st District. Kazen, now a State Representative, made his announcement yesterday. The new district includes Brooks, Dimmitt, Duval, Jim Hogg, Jim Wells, La Salle, Maverick, Starr, Webb and Zapata counties.

ANTI-STALINITE—Adm. Alan G. Kirk, who recently resigned as U. S. ambassador to the Soviet Union, announced he will head the American Committee for the Liberation of the Peoples of Russia. Their aim is to spark a revolt against the Kremlin and to aid anti-Communist emigres of Russia. Says Admiral Kirk: "If the Stalinist regime is our enemy, the people enslaved by him in the Soviet Union are our friends."

Convicted Thief Gets Five Years

H. W. Dumas, Vernon man and father of six children, has been assessed a five year prison term in 46th Judicial District Court here on charges of theft over \$50 and repetition of offense.

Dumas was charged with theft in connection with the loss of several items of automobile parts and tools from the Woodard Garage.

District Attorney Leon Douglas also stated that charges of burglary were filed against Rufus H. Abbott in connection with the burglary of the Y Courts on Feb. 7. Justice of the Peace C. W. Shepherd set bond at \$1,000.

Charges of burglary also were filed against James Megee in connection with the burglary of the Fred Schutte home on Highway 287, also on Feb. 7. Bond was also set at \$1,000.

Douglas said that charges of theft over \$50 were filed against Ernest Lewis. Lewis was charged in connection with the theft of a rifle from Montgomery Ward. Bond was set at \$1,500.

Allies Unleash Artillery Blast

Seoul, Korea, Feb. 15. (AP)—Allied big guns poured a withering barrage of shells into Communist positions in Eastern Korea today.

High explosive and fragmentation shells rained down on some Red strongpoints for more than an hour. A murderous 15-minute barrage battered Red positions above the Mundung Valley, springboard for one of the heaviest Communist attacks in weeks Thursday night.

Allied aircraft were out Friday afternoon after being grounded by storms in the morning. One Red MIG was damaged in a four-minute battle between 19 U. S. Sabre jets and 30 Communist jets over Northwest Korea, the Fifth Air Force said.

Fog and low hanging clouds shrouded the results of the artillery bombardment.

The U. S. Eighth Army said two companies of Reds spearheaded Thursday night's attack. They stormed down the Mundung Valley, with another 1,000 right behind.

Childress Couple Hurt In Automobile Accident

Mr. and Mrs. O. M. Stewart of Childress were being treated Friday in a local hospital for injuries received in an automobile wreck near Lake Kemp Friday.

Hospital attendants did not consider their condition "critical." The Stewart's car was in collision with another automobile near Lake Kemp. Other victims of the accident were carried to Seymour.

Other details were not available.

DEATH REPORTED

Word has been received here of the death of Mrs. W. L. Carter at Palestine. Mrs. Carter is the mother of J. D. Carter of Vernon. Mr. Carter will attend funeral services for his mother Saturday. Rites will be held at Elkhart, near Palestine.

Two-Day Hearing Gets Under Way Thursday Morning

Judge Second Witness Called Before Group—No Details Revealed.

Austin, Feb. 15. (AP)—Waco Judge Nash Oliver said today the House Crime Investigating Committee's two-day hearing into Waco and McLennan County crime conditions is "political football."

The judge of the County Court at-Law was the second witness to appear before the committee in closed session today.

"I kind of resent this investigation because I don't think Waco is that kind of a city," the life-long citizen of Waco told newsmen on leaving the committee hearing room.

Judge Oliver said he told the committee it could spend its time better somewhere else.

Calls Waco Clean

"Waco is clean enough for anybody," he said.

He added he was not able to give the committee any specific information in answer to questions about organized crime in Waco and vicinity.

The judge was Justice of the Peace for six years before taking his present post in which he is serving his first term. Previously, he had also served three years as an assistant in the District Attorney's office.

The first witness before the committee today, Justice of the Peace Hiram Staton, had left the session tight-lipped after one hour and 25 minutes of questioning.

"They asked that everything be kept secret. I think any statement ought to come from members of the committee," he told reporters.

Fifteen witnesses including one woman who answered the morning roll call were under threat of contempt proceedings if they discuss their testimony with one another.

25 Witnesses Subpoenaed
Another 25 witnesses have been subpoenaed for the two-day hearing.

None of those answering the opening roll call were represented by attorneys, although Committee Chairman Fred Merdith, Terrell, advised them of their right to do so.

Merdith ordered the hearing closed to the public and press immediately following the roll call. He said the hearing is similar in nature to grand jury proceedings and the committee wished to determine in private what testimony witnesses may be able to offer. He indicated some of the witnesses may be called later in a public hearing if testimony warrants.

All five members of the committee were present. Also present on invitation was Texas Department of Safety Director Homer Garrison, Jr.

Aged Man's Death in Jail Ruled Natural

Kingsville, Feb. 15. (AP)—Death of a former Corsicana man in the Sheriff's office Wednesday was due to natural causes, Justice of the Peace Tom Simmons said.

John L. Powers, 68, died in the Sheriff's office of the jail where he was held after leading officers to a \$2670 cache hidden in his junk-filled trailer home.

Testimony revealed yesterday Powers had been given a treatment for a heart condition late Wednesday. He collapsed in his cell after showing officers the money.

He had been arrested after Frank Zapata, 45, was fatally shot and Lawrence Freeman, 50 critically injured at the trailer park.

"If you'd get glasses in the Vernon Record Want Ads you'd stop imagining people looking in our window!"

Price Daniel To Speak at Quanah

Quanah, Feb. 15.—Attorney General Price Daniel will be the principal speaker at the annual Chamber of Commerce banquet to be held in the Quanah High School cafeteria on Thursday, March 6, at 7:30 p. m.

The price of tickets has been set at \$2 each and purchases will be made early as the cafeteria has a capacity of 300 persons.

The program for the banquet will be released within the next few days.

By CLIFF CLINES and W. D. DIXON

Party Line is journeying up to Childress today for a look-in on the "Farm Machinery Preview for 1952" being staged there under the auspices of the Chamber of Commerce. It appeals to me as a good idea. I think it is high time more of us folks got interested in farming and farm problems. Farm equipment is going to pay an increasingly important part in the farming of the future, with farm labor becoming more scarce with the years. Machinery must do what hands have done in the past.

Talking about becoming interested in farm problems, The Vernon Record recently added John Crawford to its staff to handle agriculture news. He has an agriculture major, and a journalism minor, along with five years experience as a photographer. This newspaper hopes to give better farm coverage in the future.

Plans are being made now for an outstanding farm program on KVVC. It will consist of personal interviews with farmers and stockmen of this area by means of tape recording, bringing out information about farm problems, and the way in which they are being met. Then a weekly salute will be paid to some farmer of the territory for the work he is doing.

C. P. Priddy, local farmer, be-

Tommie Is Real Cowboy Now, Still Paralyzed

By MARTHA COLE

Dallas, Feb. 15. (AP)—Little Tommie Yates missed Christmas because he had been beaten unconscious the night before, but this Valentine day he was up in a wheelchair urging, "Go-go."

Those are the only distinguishable words amid the jabber of the happy little four-year-old in Baylor Hospital.

But that's progress—when the battered and bruised, semi-conscious child was brought from Vernon Dec. 27, all he did was lie flat on his back, staring at the hospital ceiling and saying nothing.

He's a two-gun cowboy now.

He was up in a wheelchair today, dressed in blue jeans, a red and yellow cowboy shirt and red

house shoes. And two holsters of top six-shooters in his lap.

Tommie has everything a four-year-old would want now, except perhaps a real mother and dad beside him. The doctors, nurses, attendants and officials at Baylor Hospital and people all over the nation are helping lift that gap.

When the story went out several weeks ago that Tommie had plenty of toys and needed only clothes now, it took only two days before the packages started pouring in.

"It is just plain wonderful," was the way the floor nurse on Tommie's floor, Mrs. Pauline Kyles, put it.

She opened drawers and closets in Tommie's room to show eight pairs of blue jeans, three dress

suits (one with a white shirt with French cuffs and cuff links), a dozen T-shirts, a dozen cotton shirts, some corduroy shirts and pants, socks and underwear.

All these had been sent by people who wanted to help, from all over the nation.

"These will be enough to last him for a year or so or until he outgrows them," the nurse remarked.

Tommie was trying to wheel himself around with his good left hand. His right hand lay limp in his lap. He's still paralyzed on his right side because of a brain injury received in the beating.

Along came the doctor who just a few weeks ago removed a large

blood clot from Tommie's brain.

The doctor doubled up his fist and made a feinting motion toward the child. Tommie grinned, doubled up his left fist and feinted back. And his right hand made a little involuntary motion.

That's progress, too.

Tommie takes physiotherapy every day. The doctors want to see how much progress he can make under that treatment.

All along the route from the fourth floor to the physiotherapy department on the first, nurses and attendants greeted "Hi, Tommie" to the jabbering little gray-eyed boy in the wheelchair. He threw a kiss back at them.

"We have no trouble getting Tommie dressed now," Mrs. Kyles

said. "Everybody wants to dress him up in his new clothes. And he loves it. He especially likes red things. And he has a mind of his own. But you know it's surprising that, considering the attention he gets, he isn't more spoiled than he is. You can tell that he understands when he's supposed to mind, and he does. You can tell that he has above average intelligence."

Tommie's mother, Mrs. Robert Dale Simpson, 21, is serving a ten-year prison sentence assessed after she pleaded guilty to beating her child. His stepfather, 23, was nobilled by a grand jury Monday and has gone back to his Missouri home.

Tommie has been declared a ward of the State.

Lifting of Cattle Ban Is Studied

Washington, Feb. 15. (AP)—Two Texas cattlemen say the United States might think about lifting a ban on imports of live cattle from Mexico next fall if conditions remain as they are now.

Ray W. Willoughby, San Angelo, president of the Texas and Southwestern Cattle Raisers Association, and Joe G. Montague, Fort Worth, association attorney, were the spokesmen.

They gave an account yesterday of an inspection tour of Southern Mexico in conferences with Agriculture Department officials and congressional leaders.

The ban on live cattle imported from Mexico into the U. S. was put into effect in 1946 when foot-and-mouth disease broke out in Mexico.

Both Willoughby and Montague agreed a lift of the ban, with approval, of USDA scientists, might be feasible next fall, "if the same conditions exist as today."

Montague said the last outbreak of the disease occurred Aug. 2 and was stamped out within 24 hours. He blamed it on sabotage.

"They don't know just who was responsible," the cattlemen's attorney said, "but it was someone who wants to do injury to the governments of both Mexico and the United States."

21 Plants Get Tax Write-Off

Dallas, Feb. 15. (AP)—Rapid tax write-offs have been granted 21 more defense plants in Texas, Louisiana, Oklahoma and Arkansas.

The regional National Production Authority office here announced the most recent certificates of necessity yesterday. They enable firms building or expanding defense plants to write off depreciation costs in five years instead of 25 years, for tax purposes.

Texas plants, their defense products, and their individual DPA certification include six Houston companies: San Jacinto Towboat Co., water transportation, \$110,000; Quality Electric Steel Castings, Inc., steel castings for military end items, \$14,891; Consolidated Chemical Industries, Inc., rail transportation, \$127,500; Newlyn Co., water transportation, \$110,000; Texas Barge Line, Inc., tug boat transportation, \$225,000; and J. S. Gissell & Co., water transportation, \$322,000. Other Texas plants are: General Instruments, Inc., Dallas, electronic equipment, \$1,027,133; Intercontinental Mfg. Co., Garland, aircraft parts, \$38,629; Fort Worth & Denver City Ry., Fort Worth, rail transportation, \$1,425,000; Cornelius Kroll & Co., Galveston, transportation of petroleum, \$602,914; El Paso Metal Baling Compress Co., El Paso, steel scrap, \$76,000; Cabot Carbon Co., Kinsmill, rail transportation, \$300,000 and South Texas Corp., Nueces County, gasoline, propane, butane, \$1,081,100.

Newsprint Mill Idled by Strike

Lufkin, Feb. 15. (AP)—The South's largest newsprint mill was shut down by a strike today.

The strike at Southland Paper Mills, Inc., was called by the AFL Papermakers Local. About 75 members of this union left their jobs and set up picket lines which idled about 1,650 production workers.

W. L. McHale, vice president and general manager, claimed the strike was a wildcat—unauthorized by higher AFL authorities. No union statement was immediately available.

Quartet Entertains At Lions Club Meet

The "Barbershop Quartet," which will appear in the Classroom Teacher's revue at Wilbarger Memorial Auditorium Feb. 29, entertained the regular meeting of the Lions Club Friday.

The quartet is composed of T. O. McClung, Arlie Turckett, Kenneth McGill and Warren White.

A tape recording of part of the dialogue to appear in the show was also presented as a part of the program.

believes that something must be done about farming, or this territory is going to suffer. In fact he believes it so strong that he was determined recently to call the Secretary of Agriculture by long distance. Some of his friends talked him out of the idea, but he still thinks it should be done. He says that the Government should provide a loan value of not less than 40 cents on cotton. If that isn't done the cotton farmer in this section is going to take a major whipping, in the opinion of Mr. Priddy. He's warmed up about it, and I think others of us might get concerned. We're all farmers together.

We salute A. Q. Johnson today as one of the Vernon business men who helps to provide better service in this community. He is owner and operator of Johnson's Jewelry at 1712 Main, and was born in Plainview in 1921. Strike Vote at Plant Counted

Beaumont, Feb. 15. (AP)—Alex L. Pellerin, appointed by Oil Workers International Union Local 228 in Port Neches to canvass strike ballots, said last night he had discovered a strike vote taken last Monday did not carry a required majority.

Pellerin announced earlier in the week the strike vote by members of the union employed at the Texas Company asphalt plant at Port Neches had carried.

L. L. Crane, secretary of the OWI local, said he will release a statement on the situation later today. He told a reporter he did not want to "go off half-cocked, making it impossible to give a statement without study."

Pellerin said he had been told by District Four leaders that a 51 per cent majority was needed when he first said the strike vote carried. He said he later received an official OWIU publication, which stated that at least 75 per cent of union members must favor a strike for the vote to carry.

Today Pellerin said, "it must retract my statement and say the election did not carry. I am bound to secrecy as to the percentage of votes, but I also am bound to tell the truth as to whether it carried or not."

Court Asked to Reconsider Rule

Austin, Feb. 15. (AP)—Attorney General Price Daniel has asked the Supreme Court to reconsider its ruling that invalidated the Texas Citrus Commission Act.

He filed motion for a rehearing yesterday.

The court ruled two weeks ago that the act creating the Commission was unconstitutional on grounds it was not an equal and uniform levy of occupation taxes in that individual, independent growers of citrus were exempt. The taxes supported Commission activities.

Daniel's brief argued that the holding of one section of the act invalid should not invalidate the entire law. Numerous portions of the act were not attacked in the original suit questioning the law's validity, he noted.

The Commission was created to investigate citrus markets, conduct research and direct promotion campaigns to aid the citrus industry.

Scotfield Too Ill to Talk to Officers

Austin, Feb. 15. (AP)—Frank Scotfield is too ill to take to intelligence agents of the Internal Revenue Bureau, his physician said yesterday.

Dr. Will Watt said the agents agreed to wait.

Scotfield resigned as collector of internal revenue for the South Texas District Tuesday. U. S. Revenue Commissioner John B. Dunlap said Scotfield had been asked to resign "for the best interest of the Revenue Service."

Dr. Watt said Scotfield was "too groggy to talk" yesterday because he was under the influence of sedatives and opiates.

A son, Frank L. Scotfield, advised reporters no comment would be forthcoming until his father is "on his feet and able to speak for himself."

IT WILL BE HERE

Markets

Vernon Livestock

Cattle, 865 head; market generally steady. Bulls 24.50 to 27.00 and fat cows 22.50 to 24.00; canners and cutters 16.00-20.00.

UT Professor Resigns Post

Austin, Feb. 15. (AP)—Prof. Arthur H. Deen, chairman of the University of Texas geology department, has resigned while the district attorney's office was investigating his relationship with a man convicted of embezzling.

President T. S. Painter said no reason for the resignation was given. He said, "no comment," when asked if Deen had been requested to quit.

Deen, who had a reputation of being one of the most entertaining lecturers on the campus, had been a geology faculty member since 1919. He could not be reached for comment.

Dist. Atty. Bob Long said his office had been making a thorough investigation of Deen's relationship with Richard Pierce Morgan, 24.

Morgan was sentenced to four years in prison Tuesday after pleading guilty to embezzling \$3,500 from the University Co-op, a school supplies store.

Deen was identified by Morgan as the University professor who met Morgan in California in 1949, encouraged him to come to Austin, and assisted him in obtaining an assistant cashier job at the University Co-op in 1950.

Just Whitewash, Fired Man Says

Denver, Feb. 15. (AP)—A former official in the Dallas office of the Production & Marketing Administration says he was fired to furnish a political "whitewash" for the Agriculture Department.

Harry J. Solomon, former assistant director of PMA in Dallas, told the Rocky Mountain News he was fired by Secretary of Agriculture Brannan to take congressional heat off the department.

He said his discharge came despite his leading investigations into seven warehouse shortages in the Dallas region and one in Colorado. He added he and Latham White, former regional PMA director in Dallas, were fired for accepting small gifts when other agriculture officials received the same presents.

Solomon is in Denver to testify before a Federal grand jury probing shortages of government-owned grains in private warehouses.

He said he was telling his story because of the law of self-preservation.

Truce Negotiators Slate Full-Dress Session

Munsan, Korea, Feb. 15. (AP)—Truce negotiators will hold an important full dress session tomorrow to hear a new Communist proposal for a Korean peace conference.

Vice Adm. C. Turner Joy, chief U. N. negotiator, returned today from Tokyo where he has conferred for two days with Gen. Matthew B. Ridgway and two high ranking officials from Washington.

Staff officers working on prisoner exchange plans reported some slight progress Friday.

Air Force Plans to Reclaim Moore Field Meet Objection

Austin, Feb. 15. (AP)—State Hospital officials said today they would have no place to house some 900 tuberculosis patients if the Air Force reclaims Moore Field, site of one of the state's three tuberculosis hospitals.

Executive Director Larry O. Cox of the State Hospital Board said there has been no official word that the Air Force will reactivate the field, a World War II training base, but such action appears likely.

Brig. Gen. Harold R. Maddux, chief of the Air Base Division and director of operations in the Air Force headquarters at Washington, said at Mission Feb. 10 his office would have to make a final recommendation regarding the field "within two weeks." Rep. Lloyd Bentsen Jr. said at the time he was optimistic about a favorable decision to locate a training base there.

Dr. George W. Jackson, medical director of state hospitals, estimated it would take "at least

FOUR PERSONS FINED

Four persons were fined Friday in Justice of the Peace C. W. Shepherd's court here. A local woman paid a \$19 fine on charges of speeding, a local man was fined \$14.15 on charges of drunkenness, an Electrica man paid a \$19 fine for speeding and a Shreveport truck driver paid a \$34 fine for overloading and a \$10 fine for inadequate trailer brakes.

British Say Farewell to Monarch; Nation Mourning

Windsor, Eng., Feb. 15. (AP)—Britain said farewell to George VI today in a great outpouring of sorrowful grandeur, and buried him here at Windsor with a hymn of triumphant faith.

Elizabeth II, a queen at 25, led the nation's final homage to her father. For 2½ hours she rode in a horse-drawn carriage behind the coffin to the dirge of ten bands, while more than a million Britons, packed tightly along the chill streets of London, bowed in reverence.

Then she entrained for Windsor with the body and saw it laid to rest in a crypt of royalty already holding George III and nine other sovereigns.

The King's mother, Mary, stayed in London with the weight of her 84 years and waved her farewell from a window of Marlborough House. But the widowed Queen Mother Elizabeth was

here with the Princess Margaret to hear the choir sing the hymn she and the new queen had chosen—a hymn of victory, often sung at Easter:

"The strife is o'er, the battle done;
Now is the victor's triumph won."

The Archbishop of Canterbury voiced the committal the Church of England assigns to king and commoner alike:

"Earth to earth, ashes to ashes, dust to dust, in sure and certain hope of the resurrection to eternal life."

A slab of stone had been laid aside in the floor, and the oak coffin was lowered slowly to the side of the body of the King's brother, the first Duke of Kent, killed in a wartime air crash.

Representatives of nations around the globe joined royalty, nobles and lords in the funeral at St. George's Chapel of Windsor Palace. There was the Duke of Windsor, who was a king himself when he laid George V to rest here 16 years ago. There were Winston Churchill, the servant of four sovereigns; there were seven sovereigns from other countries. Secretary of State Acheson representing President Truman; and the Ambassador of the Soviet Union. There also, was Gen. Dwight D. Eisenhower, who led Britons as well as Americans against the Nazis while George VI stood unflinching beside his people in this island Hitler coveted. And by the turn of time, the dignitaries invited to the funeral included the Chancellor of a new Germany.

Britain and all the commonwealth fell silent for two minutes at 2 p. m., the hour of the funeral. Then thousands turned to their radios to hear the service. Earlier, the street processions had been seen on television.

In London, more than a million people from all walks of life had watched in reverent silence as 150 white-gaitered British sailors drew the King's coffin mounted on a gun carriage from Westminster to Paddington Station.

DiSalle Lauded By President

Washington, Feb. 15. (AP)—Michael V. Di Salle, the little fat man from Toledo, today neared the end of 14 months' service as the nation's price boss with a farewell pat on the back from President Truman for a good job done by "a wonderful guy."

Further, the President told Di Salle, "I hope you will succeed in helping the Democrats to retire a distinguished senator" in Ohio this fall.

Truman referred to Sen. John W. Bricker (R-Ohio) whom Di Salle hopes to unseat. The former Toledo Mayor quits the price post tomorrow to go home to Ohio to begin his campaign for the Democratic senatorial nomination. If he wins that, he'll oppose Bricker in November.

The President spoke briefly in a surprise appearance at a testimonial dinner given for Di Salle by about 900 persons.

Truman said Di Salle did "something that is very difficult here in Washington—he took the Congress into camp, and I can't do that myself. Mike has been able to get things out of those 'birds' that I can't even start to get."

He added that Di Salle's efforts had made the price post "a bed of roses" for Ellis Arnall, ex-Governor of Georgia, who is awaiting Senate confirmation to become the new OPS chief.

Turning to world affairs, the President said "we are faced with the situation which, if we do not meet it, can bring us into terrible disaster. My only objective, and my only hope, as President of the United States, is peace in the world."

He said that if the people will get behind his program "we can win this peace."

"I don't want to be in a position of having to cause the destruction of whole populations. I don't want to be in the position of having to send our young men in to an all out war to be slaughtered. I want the people of the U. S. to realize that if they will meet this emergency as they should meet it we won't have to do that."

BELIEVE IN SIGNS?—Good for a second look is the campaign sign being toiled by Buck Foss at the Citizens for Eisenhower headquarters in New York. The sign doesn't mean that Ohio's Sen. Robert Taft is supporting "Ike" for the presidency. All it means is that Foss believes his hometown, Taft, Tex. (get it?), is all-out for Eisenhower.

Border Ranchers Scored by Tobin

Fort Worth, Feb. 15. (AP)—Secretary of Labor Tobin said today "constant pressure" by a few U. S. ranch owners along the Mexican border has prevented Congress from giving the U. S. Immigration Service "necessary authority and personnel" to keep out "wetbacks."

"Illegal and uncontrolled immigration of Mexicans as farm labor to the Southwest has been, and still is, the great mountain between our country and Mexico," Tobin told a joint luncheon of the farm labor conference and the Kiwanis Club here.

Tobin declared in a prepared address there is "little hope for a satisfactory supply of legal labor" for the Southwest's teeming cotton, citrus and truck ranches "until we can shut the door of the border to illegal immigration."

He said "scores of known Communists" have been arrested by immigration authorities within the

last year along the "open border."

He cited one ranch with "miles of frontage on the Mexican border that will not permit our immigration officers to enter and search for aliens."

"This is possible because of constant pressure by a few to prevent Congress from giving the necessary authority and personnel to our immigration force," Tobin said.

A bill making it a crime to "harbor, conceal or transport" illegal immigrants—called wetbacks because they get wet crossing the Rio Grande—has already passed the Senate, Tobin noted.

He said that if the bill becomes law it "can open a new chapter in the history of Mexican farm labor in the United States."

ON EVEN KEEL

Tulsa, Okla., Feb. 15. (AP)—Oklahoma oil activity this week remained on a relatively even keel. The Tulsa World's weekly survey showed 118 completions against the previous week's 132. There were 57 oil wells brought in. Two gasers were found. One water well was included among the 50 dusters drilled.

Dunlap Requested Scofield to Quit

Washington, Feb. 15. (AP)—U. S. Revenue Commissioner John B. Dunlap says he requested the resignation of Frank Scofield, veteran internal revenue collector for South Texas.

President Truman announced Scofield's resignation yesterday, effective Feb. 29, without comment.

Dunlap said Scofield's office in Austin had been under investigation and the resignation was asked "for the best interest of the revenue service."

Scofield wired his resignation from his hospital room in Austin. After the President's announcement yesterday he refused to comment.

His wife said the resignation was given voluntarily and as far as she knew his office had not been under investigation.

A nurse who asked Scofield if he would admit an Associated Press reporter, said Scofield told her:

"I don't want to talk to him." In his resignation, Scofield said his physician had given him "repeated advice" to quit and take a complete rest.

Mrs. Scofield said her husband was too ill to comment. She said Dunlap's statement that the resignation was requested is untrue.

"It was not requested. It was given voluntarily," she said in a telephone conversation.

"Of course, everyone knows all about this business about Gene Meyer," she said, adding that as far as she knew, her husband's administration of the South Texas district office had not been under investigation.

Eugene L. Meyer is under suspension as assistant chief of the office's income tax division.

Deputy Collector F. B. Parsons said Jan. 12 Meyer's suspension, resulting from an investigation headed by Special Agent James M. Cooner of Dallas, had nothing to do with Meyer's duties as an employee.

Parsons said Meyer's suspension was "solely a matter of Eugene Meyer as a taxpayer." He would not elaborate.

Cooner recently said the investigation of Meyer was continuing and that investigation of all major revenue officials in Texas involved checking the tax returns of bureau employees.

Mrs. Scofield said she did not know why Dunlap would have said her husband's resignation was requested.

"He (Dunlap) has made a number of statements recently which we couldn't understand," she added. She did not amplify her remark.

Asked if she considered her husband seriously ill, she said:

IN DRIVER'S SEAT—George Selkirk sits in a sulky behind pacer Captain Wolf as he learns how to handle harness racers near his Rochester, N.Y., home. The former New York Yankee star, who now manages Kansas City, started training horses last fall to help out a friend. (NEA)

Interchange Agreements Between Air Line Okayed

Washington, Feb. 15. (AP)—The Civil Aeronautics Board has authorized interchange agreements between three airlines which will establish a new through freight service across Texas.

Yesterday the CAB approved interchanges between Eastern, Braniff and Trans World airlines for the new service between Miami and Los Angeles-San Francisco, by way of Tampa, Houston, Dallas, Fort Worth, Amarillo and Phoenix, Ariz.

The approval involved a denial, in a companion case, of a proposed interchange of equipment between Eastern and National airlines to provide service across the Gulf between South Florida and South Texas cities and also single-plant flights between points in North Florida and Texas. The Board noted Eastern had signified its desire to withdraw from the proposed joint operation with National in this area.

Board Chairman Donald W. Myrop and Vice Chairman Oswald Ryan dissented on the action taken.

Joint Control of Braceros Asked

Fort Worth, Feb. 15. (AP)—Secretary of Labor Maurice J. Tobin believes joint Federal and State control of the migratory workers' problem would work better than complete State control.

Tobin is here for the annual farm labor conference of Central and Great Lakes States.

He told a press conference yesterday joint Federal and State control is needed "because the workers work in more than one state, and it is the responsibility of the Department of Labor to see that we don't lower the standards of American workers."

He said that a bill which recently passed the House of Representatives "would provide the farm hands that cannot be obtained in the United States from domestic sources."

The bill, he said, "will enable us to obtain farm labor from foreign sources in a legal and orderly manner, but will close the border to illegal and disorderly entry."

Tobin said he referred to the migratory workers from Mexico, more commonly known as braceros and "wetbacks." He said 140,000 Mexicans worked in the U. S. last year.

Lions Meet Champion Tornadoes Here Tonight

Three Games On Tap for Local Gym

Three games are on tap for the Vernon gym tonight with the feature tilt being a battle between the district champion Lamesa Tornadoes and the Lions.

The Vernon Juniors will start the action at 5 o'clock, meeting the Odell B Squad. The Lamesa and Vernon B squads will follow the contest and the Tornado and Lion clash to follow.

The Lions will close out the 1-AAA campaign Saturday night in playing the Midland Bulldogs here. The B Squad will meet

Miss Mary Carolyn Carruth, daughter of Mr. and Mrs. Dallas Carruth, will be crowned "Basketball Queen" at halftime ceremonies of the Lion-Lamesa game tonight.

Newly-elected captain Ramon Towry and co-captains Jerry Thomas and James Luttrell will participate in the coronation ceremonies.

Oklahoma in a preliminary tilt Saturday night. Game time is 6:15.

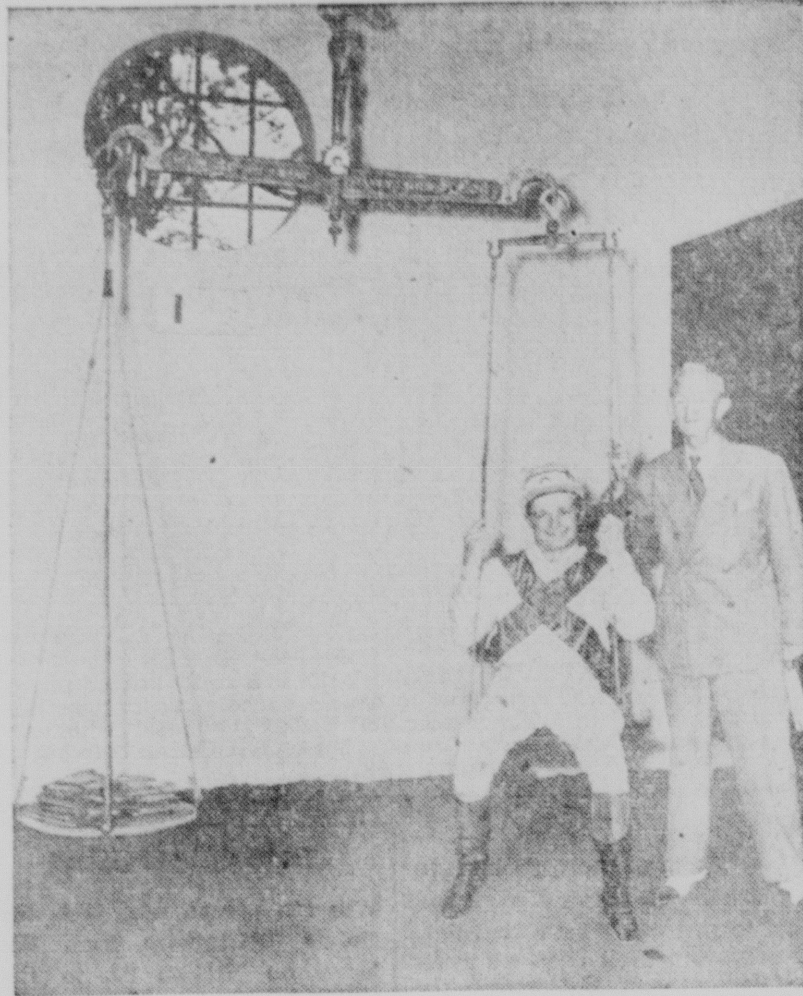

The Tornadoes will host a senior starting five and also have the top scorer in the district in Don Stevens.

The Lions have posted a 3-5 mark in district play and Lamesa an 8-0 record.

The only thing at stake for the Lions would be the prestige of knocking off the district champs.

The starting five of Ramon Towry, leading Lion scorer, Gordie Harvey, Lester Dye, Jerry Thomas and James Tull—the same boys that have started all games this season—will carry the Lions' colors into the fray against the senior-studded Lamesa team.

Lockett Wins First Play-Off Game

EVENING THINGS UP—Jockey Ronnie Nash sits in the scales in Hialeah, Fla., which have weighed in and out every derby-winning jockey in England since 1790. They were loaned to the Hialeah Race Track by the Epsom Downs Grandstand Association. Standing beside Nash is Henry A. Bentham, 83, who rode the scales many times while racing in England over 40 years ago.

RETIRE RANCHER DIES

Marfa, Feb. 15. (P)—Arthur Mitchell, 83, retired ranchman, died at his home yesterday. Funeral services were scheduled here today.

Minor League Baseball Expecting Good Season

Columbus, O., Feb. 15. (P)—Minor League baseball, despite the demise of seven leagues since the 1951 campaign, looked forward today toward a healthy and happy season.

In 1950 the Minors hit their peak of 59 leagues and 444 teams. Now the field has dwindled to 43 leagues and 320 clubs.

Ten loops dropped out between the 1950 and 1951 seasons, seven gave up this winter, and one 10-club circuit split up to help form two six-team loops.

Phil Piton, No. 1 aide to Minor League President George M. Trautman, struck an optimistic note today as he said:

"The leagues still in the fold appear to be financially stable. Most of those which dissolved were borderline loops, unable to hold up in the face of attendance drops, Major League broadcast competition, and the loss of players to

Two Teams Meet Again Tuesday In 2nd Contest

The Lockett Panthers squeezed past the Harrold Hornets at Harrold Thursday night to go one-up in the play-off for the second place trophy in District 28-B.

A Panther rally in the last quarter gave the visitors a 43-41 win. The two teams will meet at Lockett Tuesday night in the second game of the play-off. If a third game is necessary, it will be played Feb. 26 on a neutral court.

Harrold jumped off to a 16-13 lead in the first quarter, but Lockett came back to go ahead 29-21 at the end of the half.

Sparked by George Petrus, Harrold rallied to tie up the game at 34-34 at the end of three periods. Harrold then jumped into a fourth period lead, but consistent shooting by Lockett gave them a lead that the Hornets could never overcome.

Petrus topped both teams in scoring with 22 points. Gerald Russum hit 12 and Doug McKay 11 for Lockett.

Valley View won the 28-B cage title and the Lockett girls won that division. Those two teams will move into regional play at Dallas in March.

Do it today—The Want Ad Way!

Savold Fight Called Boner By Marciano

By GAYLE TALBOT

New York, Feb. 15. (P)—Having watched Rocky Marciano take six laborious rounds to chop up a flabby Lee Savold, we are beginning to understand why Al Weill, the IBC matchmaker, denies so aggressively that he owns any part of the so called Brockton Block Buster.

True, we saw it from a distance of approximately 90 miles and will be the first to concede that the television screen does not always give a completely satisfactory picture of a fight, but in this case the boys who were there with their chins on the canvas have been quick to confirm that Rocky just about ruined one of the finest heavyweight buildups since Carnera.

Going into the Philadelphia venture, the husky young man from Massachusetts had scored 38 straight victories—33 of them by knockouts—and there were some very knowing fight figures around who honestly considered him a cinch to be the next heavyweight champion. The movement gained great impetus when he blasted out old Joe Louis four months ago.

But now what? The answer seems to be that the Marciano brain trust—of which Weill is believed to be at least an honorary member—made its first mistake up to this point in Rocky's career in forgetting that even a Savold, 36 and overweight and washed-up, still has a right to his pride.

It is dead certain that Marciano's handlers would never have fooled with such a veteran as Savold unless they had felt certain their boy could leave him for dead within three or four rounds. There was much too much at stake.

LIKE FATHER, UNLIKE SON—Paul Waner, Jr., son of the former Pittsburgh Pirates baseball star who was just named for Baseball's Hall of Fame, takes a batting stance with a drafting tee in his room at Georgia Tech, in Atlanta. Paul, Jr., aspires to an engineering career.

Dark Is Favored In Golf Tourney

Miami, Fla., 15. (P)—Defending Champion Al Dark and Jim Hearn of the New York Giants and Coach Dick Bartell of the Detroit Tigers are rated the men to beat today in baseball players' golf championships at Miami Spring Country Club.

Dark, Hearn and Bartell turned in 73s yesterday for the best practice rounds among the 40-strong Major League contingent.

Pete Harris, former minor leaguer, burned up the flat 6,310-yard layout with a one-under par 69 for the best score.

A starting field of 82 golfers will compete for the three titles in the competition ending Sunday afternoon. There will be three divisions—Major League, Minor Leagues and Sports Writers. Any player who ever made the big league, whether active or inactive now, can compete for the championship Dark won last year.

ACCIDENT VICTIM

Tenaha, Feb. 15. (P)—Fred Guber was accidentally electrocuted yesterday when a section of pipe he was holding touched a high-voltage line. Guber was a chicken farmer.

Susie Q Cafe Keglers Near Pin League Championship

The league-leading Susie Q Cafe keglers swept three games from the M&M Cleaners and enabled the Standard Oilers to take over possession of the hotly disputed second place position.

H. A. Peters paced the Cafe team with 462 pins and John Lynn led the losers with a 432 series.

Susie Q needs only a combination of six wins or losses by other teams to clinch the championship. There are 21 more games to play.

The Oilers swept their three-game series from cellar-dwelling Collins Motor to climb past the

M&M crew by one and a half games.

Richard Beck led Standard Oil with 500 pins and Perry Moore paced Collins with 455 pins.

Raymond Garrett of Susie Q had high game honors with 190 followed by Beck of Standard Oil with 177. Beck's 500 series was high followed by Red Skipworth with a 490 series.

Worsham in Lead In Open Tourney

San Antonio, Feb. 15. (P)—Lew Worsham had the scent of his first tournament victory in a year today as he set out at the head of the field in the second round of the \$10,000 Texas Open.

The man with the big chin from Oakmont, Pa., led the field of par-busters with an eight-under 63 as they prepared for cutting down. Tonight the low 60 professionals and ties plus the 10 low amateurs will go into the final 36 holes tomorrow and Sunday.

The greatest par smashing round in 25 years of Texas opens came yesterday as 70 players in the field of 169 shot rounds under regulation figures. Eighteen others equalled par.

Worsham held a one-stroke lead over Walter Romans, a little-known pro from Baltimore, Md.

Romans did a 64 yesterday and but for a couple of putts that lipped the cup would have taken the lead. He also had trouble with spectators and cameramen on the No. 18 tee where he said he was unmoved and drove into water.

Tied at 65 were Julius Boros, Mid Pines, N. C., Jackson Bradley, Chicago, and Charles Harter, Logansport, Ind.

Frank Stranahan of Toledo, Ohio; Monte Sanders, Marshall, Texas; and Joe Conrad, San Antonio, were the low amateurs, each with a 69. Not a simon pure finished in the top 40.

Safer Cough Relief

When new drugs or old fail to stop your cough or chest cold don't delay. Creomulsion contains only safe, helpful, proven ingredients and no narcotics to disturb nature's process. Two Quintets Eye Berths In Tourneys

New York, Feb. 15. (AP)—Dayton University and St. John's of Brooklyn have just about clinched bids to one and possibly both of the major post-season college basketball tournaments—the National Invitation and the NCAA.

Dayton, victor over St. John's in last year's NIT semi-finals, won its 13th straight game last night, a 60 to 59 squeak over Eastern Kentucky. St. John's made it 9 in a row by whipping St. Bonaventure 59 to 56.

A spokesman for the NIT said unofficially the Ohioans and the Brooklyn Red Men were high on the list of teams being considered. As for the NCAA it is possible both will be invited to compete as "at large" teams. St. John's competed in the NCAA last year, too.

A crowd of 16,151 paid, largest of the season at Madison Square Garden, saw the St. John's game, first of a doubleheader. In the nightcap New York Univ. defeated Niagara, 67-56.

DePaul, also believed under consideration for the NIT, had its 9-game winning streak snapped by Notre Dame, 76-70.

West Virginia, Holy Cross and Siena, unofficially reported to be also under consideration for the NIT, all chalked up victories. West Virginia, strengthened its hold on first place in the Southern Conference by beating Virginia Tech, 99-82. Holy Cross whipped Springfield, 81-61. Siena trounced Williams, 69-45.

In other games, Marquette beat Toledo, 58-52; West Texas beat Arizona, 79-73; and Utah State drubbed Colorado A&M, 85-62.

YOUNG MOTHER

New York, Feb. 15. (AP)—A 13-year-old girl who married last May has given birth to a 7 pound, 13 ounce boy. The mother is Mrs. Antoinette Goodman, wife of Virgil Goodman, 17, a factory worker.

NEW HARDIN - SIMMONS UNIVERSITY COACH—Murray Evans, who has served as an assistant coach for a total of five years, has been named head football coach at the Cowboy school. Evans, a former Cowboy all-Border Conference quarterback, played two years with the professional Detroit Lions. He replaces Warren B. Woodson, who recently resigned to become head football coach at the University of Arizona.

CROSS EXAMINATION

Livingston, Feb. 15. (AP)—State cross examination was to continue today in the trial of Hunter Bergman, 55, charged with the Dec. 15 slaying of Dudley Veal. Bergman, Corrigan Oil Products jobber, took the stand in his own defense yesterday to say his trouble with Veal—a former brother-in-law—dated back 10 or 12 years. Yesterday he told an assistant prosecutor he did not decide to kill Veal "until I saw Dudley reach into his pocket for what I thought was a gun."

ADOPT RESOLUTION

Manila, Feb. 15. (AP)—The Philippines Senate today unanimously adopted a resolution not to export sugar to other markets until the Philippines had filled its quota for the United States.

Browns Eye Pact With Japan Club

St. Louis, Feb. 15. (AP)—With a word of recognition to Puccini, restless Bill Veeck is making plans to cast his St. Louis Browns in a production that smacks of a "Madame Butterfly" plot.

In the Italian composer's opera, an American naval officer woos and weds a Japanese girl. Veeck's idea is just about the same.

He gave word yesterday to start planning a working agreement between the Browns and a Japanese baseball club. Whether such a thing is legal can be decided later.

The idea cropped up yesterday in a cablegram from Abe Saperstein, owner of the fabulous Globetrotters of basketball and Browns' stockholder and scout.

"I can make an excellent working arrangement with a club in the Japanese Professional Baseball League," Saperstein's cable read. "Can I do it?"

That tag ending is the big question. Is such a thing allowed under present American baseball rulings?

It stumped Veeck. And it stumped a "board of strategy" that was present—Gen. Mgr. Rudy Schaffer, Vice President Bill DeWitt, traveling secretary Bill Durney and publicity director Bob Fishel.

Veeck wasn't stumped long. A thing like not knowing if it's possible doesn't worry the energetic Browns' owner.

"Go ahead," he cabled Saperstein. "Can't tell if we can do it. Must clear with president of the National Baseball Association."

He plans to question George Trautman, NBA president, on the matter. "It can't hurt anything," says Veeck. "If we get an ok on it, we'll try to work out something."

Classified Ads—bring results!

Knockouts Are Predominant In Golden Gloves Tourney

Fort Worth, Feb. 15. (AP)—You could call the State Golden Gloves Tournament a "knockout" affair this year and not blush at the pun.

Twenty of the 47 fights in two nights have ended in knockouts and they've been sprinkled liberally among all divisions.

Nine more kayos were registered last night as the heavier fighters unlimbered in savage fashion—three of the four middleweight bouts ending in kayos, as did all four light heavyweight matches and one of the two heavyweight.

El Paso and San Antonio share the lead in team points with six each. El Paso has won every fight its battlers have entered.

Blood and savagery marked the second night and 4,195 fans watched one of the quickest when Bruce Price, 170 pound light heavyweight from Odessa, kayoed Frand Cutts, 169, Waco, in just 40 seconds of the first round.

\$5,000 LOSS

Mexico City, Feb. 15. (AP)—Gordon King, Convent, N. J., says a bag he lost in Houston yesterday contained diamonds and jewelry worth \$5,000. The bag was recovered later, minus the jewelry. King said the loss occurred at the Houston railroad station while he and his wife were en route here for a vacation. When King gathered his luggage, one of his own bags was missing and a similar one was left on the platform, he said.

NO TROUBLE AT ALL

Joliet, Ill., Feb. 15. (AP)—Mrs. Nora Baker, attractive 40-year-old grandmother, who gave birth to her 18th child Sunday, said today, "a big family is really no trouble. In fact I want two more girls just to even things up." Mrs. Baker and her husband, Raymond, 46, a machinist, have 10 sons and 8 daughters.

Price, unopposed in his regional tournament, smothered Cutts with a two fisted attack, laid him helplessly on the ropes with a hard left, then chopped him into unconsciousness with a terrific right.

Two defending champions won easily—Middleweight Eugene Cooper, 161, Amarillo, with his second first round knockout and Featherweight Raymond Riojas, 126, Fort Worth, on a decision.

Cooper knocked out Don Parks, 157, Houston at 1:55 of the first round. Riojas decisioned Horace Hooper, 126, Dallas.

Two other light heavyweight kayos came in the first round. Raymond Phillips, 167, El Paso, downed Dick Murray, 170, Amarillo, in 1:47 and Kenneth Womack, 176, Austin, smashed Joe Lay, 165, Houston, at 1:25.

James Hoff, 190, Dallas, won his heavyweight bout with a kno at 54 seconds of the second round over Wesley McDonald, 200, Fort Worth.

Mixed Foursomes Tourney In Championship Round

Palm Beach, Fla., Feb. 15. (AP)—Last year's championship match will be played all over again today in the finals of the annual mixed foursomes golf tournament at the Everglades Club.

Polly Riley, Fort Worth, and J. Wolcott Brown, Manassas, N. J., will meet Bee McWane, Birmingham, Ala., and Bob Sweeney, Palm Beach, in the 18-hole final.

Last year, the same teams advanced to the championship round and the McWane-Sweeney combination took a close 1 up decision.

LOUIS TO RETIRE

New York, Feb. 15. (AP)—Joe Louis, unbeaten king of the heavyweight fighters for 12 years, has fought his last fight, he says. The one-time Brown Bomber announced last night he is through with fighting except for exhibitions.

Panther Eludes Sooner Ranchers

Kremlin, Okla., Feb. 15. (AP)—It looked today like Grant County ranchers would have to call in Clyde Beaty if they ever want to catch an elusive panther that has been killing stock the past few weeks.

Last night he (or she) was spotted again. It crossed the road in front of a car driven by 19-year-old Darrol Hayes of Kremlin.

After patrolling the area thoroughly, authorities gave up again. All they found were huge footprints where the beast had ducked under a bridge.

How it manages to vanish when searching parties comb the area is a mystery. Then, when they

least expect it, he turns up to kill a young steer or lamb. Hundreds of Grant County ranchers, angered by the loss of their stock, combed the area many times. They were aided at one time by five small planes.

Authorities believe the animal escaped from some small circus, whose owner has been afraid to report his loss to authorities.

Hayes described him yesterday as being 2½ to three feet tall with skin that shone brightly in the car lights. He said he was black and slick with a long tail and small head.

WANT TO BID ON PLANT

Mexico City, Feb. 15. (AP)—The Government announced French and Swiss manufacturers have said they want to bid on construction of a new 100,000 kilowatt power plant to be built in the Papaloapan River Basin. It did not give the names of the intending bidders. The Papaloapan is Mexico's equivalent of the TVA power, flood control and irrigation development.

Blue Bird Dad-Daughter Banquet Enjoyed Thursday

Festive Valentine decorations set the theme when the local Blue Birds feted their fathers with a banquet Thursday night at the youth building of the First Baptist Church.

Large red and white heart decorations were used as centerpieces on the dining tables. Long arrows inscribed with each Blue Bird group name served as placecards.

Ann Snell of the Jolly Blue Birds acted as mistress of ceremonies for the occasion and opened the program by asking the group to sing "America." Mrs. Wallace Gates was accompanist for the program. The invocation was given by Rev. Marshall Rhew. Each Blue Bird then introduced her father.

Box suppers were then enjoyed from beautifully decorated Valentine boxes.

Following the supper, a toast to the fathers was given by Ann Snell. The response for the fathers was made by M. K. Berry.

The program by the Blue Bird

Rosa Hanning YWA Observes Focus Week

The Rosa Hanning Y. W. A. members of the Second Baptist Church have been observing Y. W. A. Focus Week, Feb. 10 to 15.

On Sunday the girls were recognized in the services at the church. Among those participating in the special recognition were Miss Louise Mayo, Mrs. Dixie Lauderdale, Miss Billie Tompkins and Miss Ruby Davidson.

The group met Tuesday evening at the church for a Valentine program and social. Miss Rosa Lee Stone, Y. W. A. counselor, was in charge of the program. A duet was sung by Miss Anna Ruth Tompkins and Miss Ruby Davidson, accompanied by Mrs. L. L. Emmons. Mrs. W. N. Martin led in prayer, and Miss Velma Lee Mayo gave the devotional. Mrs. Vidal Jones was guest speaker for the evening.

Following a short business session, Mrs. E. L. Blackburn dismissed the meeting with prayer. A social hour followed and refreshments of punch and Valentine cookies were served.

Wednesday night the Rosa Hanning Y. W. A. presented a program, "Precious Promises," at the church. Preceding the program the girls delivered gifts and Valentines to shut-ins.

The next meeting will be held at the home of Miss Rosa Lee Stone, 1919 Lexington St., at 7:30 p. m. on Feb. 26.

First Methodist MYF To Present Playlet

The First Methodist WSCS will be co-sponsors with the Methodist Youth Fellowship in their presentation of a playlet, "Lights Along the Way in Latin America," at the regular vesper hour service Sunday evening, Feb. 17, in the chapel of the church. The program will be under the leadership of Mrs. L. D. Terrell. Following the vesper service a fellowship hour, sponsored jointly by the WSCS and the young people, will be held for all attending the service.

groups included songs and skits as follows: "Dad's My Guy," song by the Friendly and Jolly Blue Birds; "A Valentine Song," sung by the Peppy and Sunny Blue Birds; "Sing a Song of Sixpence," sung by the Starlight, Moonbeam and Central groups; "What Would You Take for Me, Papa?" sung by the Bonnie and Dolly groups; "Gay Valentine," sung by the Happy and Texas Blue Birds; a skit, "Hearts and Flowers," by the Parker and Vergine groups; "My Dad," a reading by the Joyful Blue Birds; and "We Are the Redmen," sung by the Bluebonnet and Dandy groups.

The program concluded with the fathers and daughters singing "Let Me Call You Sweetheart," in unison.

Parker PTA Holds Thursday Meeting

The Parker School PTA met Thursday afternoon in the school auditorium with Mrs. Roy Brazil presiding.

Mrs. I. W. Williams' second grade class was in charge of the room activity. Mrs. Brazil introduced the guest speaker, Mrs. Jim Geer, whose topic was "Looking Forward—Looking Back." A National Founders Day talk was presented by Mrs. Roy Taylor.

A business session followed with Mrs. Raymond Bagley reading the minutes. A treasurer's report was given by Mrs. T. J. Frith, and Mrs. Elgin Black gave a City Council report.

Mrs. Bagley was elected president for the remainder of the present term. A nominating committee, composed of Mesdames Frith, Robert Cooper and Marvin Taylor, was elected.

The unit voted to have a "42" party some time in March and to sponsor the Boy Scouts and Cub Scouts in the school. It was agreed that the mothers would furnish towels for the children's shower at the school.

Approximately 55 members were present for the meeting.

Darlene Weede Marries B. Tinney at Quanah

Quanah, Feb. 15.—Miss Darlene Weede, daughter of Mr. and Mrs. J. C. Weede of Quanah, became the bride of Bobby Tinney, son of Mr. and Mrs. I. W. Tinney of Wellington, in a ceremony performed in the home of the bride's parents on Friday evening, Feb. 8, with Bro. L. E. Garner officiating.

The bride was attired in a navy fault suit with white accessories. Her corsage was of white carnations.

Miss Betty Robertson of Quanah was the bride's only attendant. Leon Ray of Wellington served the bridegroom as best man.

A reception honored the couple immediately following the ceremony.

The bride was a student of Quanah High School, and the bridegroom is a 1951 graduate of Wellington High School. After a short wedding trip, the couple will make their home in Wellington.

Legion Members, Auxiliary Enjoy Valentine Party

Members of the Robinson-Chaney Unit No. 67, American Legion Auxiliary, and their husbands enjoyed a "back to school" party Thursday evening in the Legion Hall.

Mrs. P. D. Chaney acted as teacher for the party. Children's games were directed by Mrs. Aubrey Rummel and Mrs. J. E. Davis. A sing-song was led by Mrs. Norma Cook and accompanied by Mrs. Chaney. Comic Valentines were distributed from a gaily decorated Valentine box. Perry McDonald acted as superintendent of schools.

Paper sack lunches were enjoyed with iced pop and coffee.

An old-fashioned spelling bee was included in the evening's activities. John Young and Mrs. Olin Barrett led the two sides.

The next regular auxiliary meeting will be held on Feb. 28.

Social Calendar--

Friday, Feb. 15
Catalpa Grove No. 100, Woodmen Circle, will meet at 7:30 p. m. in the WOW Hall.

Camp Fire Dad-Daughter Banquet at 6:30 p. m. in the dining room of the First Baptist Church youth building.

The Lion's Den will be open for senior high members only from 7 to 11 p. m.

Saturday, Feb. 16
Beta Gamma Chapter of Delta Kappa Gamma, national honorary society for women educators, will have tea for women teachers of Wilbarger, Foard and Hardeman counties from 3 to 5 p. m. at the Hill Crest Country Club. Pioneer teachers of the area will be guests of honor.

The Lion's Den will be open for all members from 2 to 5 p. m. and for junior high members only from 7 to 10 p. m.

Monday, Feb. 18
Mia Slavenska and her Ballet Variante, Wilbarger Memorial 8:15 p. m., presented under auspices of Community Concert Association.

The Auxiliary to Ray Cox Post 4747, Veterans of Foreign Wars, will meet at 7:30 p. m. in the VFW Hall.

The circles of the First Methodist WSCS will meet for continuation of their present study as follows: No. 1, Mrs. R. S. McConihe, 2120 Texas, 3 p. m.; No. 2, Mrs. John Eldridge, 1915 Gordon, 3 p. m.; No. 3, Mrs. Marvin Sharp, 2519 Paradise, 3 p. m.; No. 4, Mrs. Oran Key, 2106 Beaver, 3 p. m.; No. 5, no meeting planned; No. 6, Mrs. Jimmie Murrell, 2020 Mesquite, 9:45 a. m.

Tuesday, Feb. 19

All-day meeting of the Rayland Home Demonstration Club in the home of Mrs. Ed Lehman. Covered dish luncheon at noon. The topic for the day will be "Preparation of Frozen Meats."

Lockett Elementary PTA meeting at 3 p. m. at the school. Study course to precede meeting at 2 p. m.

VISITING HERE
Olyn Muller of Houston, Mr. and Mrs. Clyde Muller, Jr., of Port Arthur and Mrs. Melvin Taylor of Oklahoma City are visiting their father, Clyde Muller of Vernon, who is ill.

TO PREACH HERE
Bill West, son of Mr. and Mrs. Kade West of Vernon, and a student at the Baptist Seminary at Fort Worth, will preach at both morning and evening services at the Pearl Street Baptist Mission Sunday.

'Gay Nineties' Show Cast To Include Many Teachers

"There's no business like show business." This may well be said of the Vernon Classroom Teachers, as night after night the group has been put through their paces rehearsing for the "Dirty Work at the Crossroads" or the "Tempted, Tried and True" show to be given in the Wilbarger Memorial Auditorium Feb. 21-22.

The gay-nineties laugh-riot play will be ably reinforced by vaudeville routines from the gas-light era. Preceding the first act, Louie L. Holder will prepare the audience for what is to follow.

The Barber Shop Quartette, composed of L. L. Holder, A. K. Turckett, T. O. McClung and Kenneth McGill, will provide the setting for the dramatization of some six gay-nineties songs as a curtain raiser. Some 29 teachers will sing and dance in costumes of the by-gone era.

One feminine character was heard to groan, "I hope I won't trip on grandma's train when I have to waltz backward."

Between the first and second acts of the main play the Flordora Sextette will take over. The singing girls of the 1890's will wear the identical lavish costumes that the original naughty but nice actresses wore.

"Waltz Me Around Gain, Willie" will hold the spot between the

second and third acts. "Willie" and 18 teachers, ranging from high school to first grade levels, will square off in a surprisingly good routine.

Practically all of the members of the Vernon unit of Classroom Teachers Association will participate as an actor or as a member of the production staff.

The Bryant Watson Club of Future Teachers of America will be much in evidence during the performance. The girls will be dressed in gay dresses and bonnets, and the boys will probably be mistaken for bartenders in their snappy bow ties, straw hats and dish towel aprons.

Quoting Elizabeth Eure, director of music for the show, "we have worked hard and we have had fun, so we hope the people will like our efforts."

Curtain time for the full evening's entertainment is 8:15 Feb. 21-22 in the Wilbarger Memorial Auditorium.

Buckholt Funeral Set for Saturday

Quanah, Feb. 15.—Last rites for Oscar Buckholt, 54, Continental Trailways bus line agent in Quanah and operator of a taxi, will be held in the First Methodist Church on Saturday afternoon at 3 o'clock with Rev. Wayne Cook of Lubbock, former pastor of the local church, officiating.

Interment will be in the Quanah Cemetery with the B. H. Smith Funeral Home in charge of arrangements.

Mr. Buckholt died suddenly at his home in Quanah about 8 o'clock Thursday morning of a heart ailment after an illness of only a few days, although he had been in failing health for some time. He was found by a daughter who went to the home a short time after his wife had left to open the bus station. He was apparently in an improved condition when Mrs. Buckholt left the home.

CHRISTIAN SCIENCE SERVICE
Corner Lamar and Marshall Sts.
The cultivation of spiritual sense gives man dominion over all evil, according to the lesson-sermon entitled "Soul" to be read in all Christian Science churches next Sunday. Understanding God as Soul, the source of real happiness, the Golden Text is made clear: "My soul shall be joyful in the Lord: I shall rejoice in his salvation." (Psalm 35:9).
This Bible admonition is included in the lesson-sermon: "Set your affection on things above, not on things on the earth." (Colossians 3:2). The theme is developed in these words by Mary Baker Eddy from her textbook: "We cannot deny that life is self-sustained and we should never deny the everlasting harmony of Soul, simply because, to the mortal senses, there is seeming discord. It is our ignorance of God, the divine Principle, which produces apparent discord, and the right understanding of Him restores harmony. Truth will at length compel us all to exchange the pleasures and pains of sense for the joys of Soul" (Science and Health with Key to the Scriptures, p. 390).

TOLBERT CT. METHODIST CHURCH

2:30 p. m.—Each First Sunday, community singing.

TIMES HOTTER

The Bible constantly uses physical figures for spiritual truth, for we must liken the unseen and the unheard to the things we see and hear. Religion has to do with the things that "eye hath not seen, ear hath not heard, neither hath entered into the heart of man" to understand. So the figures for the future of the good and of the evil are taken from the physical realm with which we are familiar. Harps in our hands and walking on golden streets are metaphors for the high privileges that await the servants of God in heaven. Likewise the pit and sulphurous fumes and heat that is "SEVEN TIMES HOTTER" are figures that represent the spiritually intolerable situation in which the wicked shall find themselves in the future life. None of these material figures, not even the molten metal blast furnace scene above, is strong enough to convey the actual situation to be confronted. Think of the two ideas that are conveyed partially in our concept of hell: absence from the presence of God and the remorseful memory of an awakened soul, who has finally come to understand the enormity of the evil which he had committed. To be without God and without hope is the most terrible fate that can befall any man. Do you remember Edward Everett Hale's story of THE MAN WITHOUT A COUNTRY? That will suggest something of the almost unendurable plight of a human soul who has lost all sense of the Divine; no good thing to live for, no dependable order in the universe, no guide to affairs anywhere, a topsy turvy world without sense or rhyme. The mental suffering of such a soul far surpasses anything the human mind can conceive. Then think of the remorse of a man who has finally come to see the far reach of the wicked thing he has done, never to be able to forget, nor to turn his eyes away from the horrible results of his wrong doing. Such is the 'Christian Hell', not something God purposes for any man, but a fate from which the loving God has sought by every means within His power to save us. Surely no thinking person will purpose such a future for himself; God will do His best to save us from it; but man is finally the captain of his soul; and even God cannot save a man from himself and his own future that he chooses; only we ourselves can do that.

YOU IN THE CHURCH
THE CHURCH IN YOU
Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statisticians today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good.

PARADES DON'T IMPRESS PARTY LEADERS

Several hundred Texans went to New York last week for a rally staged in behalf of General Eisenhower at Madison Square Garden. A special train carried the visitors and a great demonstration was put on by the boosters from Texas. It was quite a spectacle, according to publicity received back home. Whether it was equally impressive in the varied and complex life of the metropolis is another question. A few hundred persons, more or less, make little difference in New York, even though they may be dressed in the style of movie cowboys and make a lot of noise.

Between now and time to count votes in the Republican national convention many things can happen, and they will not be much affected by demonstrations staged by amateurs. The people who actually choose nominees of the major parties are a realistic lot. They want to win. That is the first consideration, because it does no good to have an alluring candidate if he can't win. The next consideration is who will be most likely to play ball with the regular party leaders. If they have two candidates and feel either can win they will naturally choose the one who will go along with them in matters of patronage and legislative policies.

Men of this kind are not much impressed by noise and parades. They know that with a little money and some organization anybody can have a parade, because they are people who like to participate in such tactics. Give people of this kind a badge and a banner and they will march in anybody's parade.

A demonstration such as the Texans put on last week in New York might have some effect if staged just before general election time. But until General Eisenhower is nominated his friends could apply their energies to better advantage in other ways.

A PROBLEM OF WAR PREPARATION

A case has come to light which illustrates one of the major problems connected with a stepping-up of defense preparations. A certain type of machine tool equipment was needed in connection with the building of airplanes. The planes couldn't be constructed until the tools were ready so it was a natural conclusion that the best thing to do was to get the tools manufactured as quickly as possible. A firm regularly in the business could build them at about \$38,000 each, according to testimony of an assistant secretary of the Air Force before a Congressional committee.

Fisher Body Corporation could build the needed tools but was not at the moment equipped to do so, not being in that particular line of business. Otherwise Fisher seemed a logical source of supply. The firm had the capital, the know-how and the organization. However, to get ready to handle the job it was necessary to spend between \$9 and \$10 million. But the price of the tools was \$90,600 each.

The question of whether to place the order with the firm which couldn't make deliveries as promptly as desired or award the contract to Fisher at more than double the regular price in order to get quick deliveries. On the advice of the chairman of the Aircraft Production Board it was decided to give the contract to Fisher. Now it happens that one of the officials who recommended this action was a \$1-a-year man on loan from General Motors to serve as an assistant to Charles E. Wilson, defense mobilizer. General Motors owns Fisher Body Corporation.

All this came to light when a House investigating committee began probing war contracts. It seems the proposition was discussed with all proper officials and it was decided that the earlier deliveries justified placing the orders at the higher price.

This incident can never be made to look right, though there is no evidence that it wasn't the wise thing to do under the circumstances. This also reveals why many firms hesitate to accept Government contracts and why business men prefer not to accept Government jobs, even when they receive no compensation.

The son's college education often cures the mother of bragging about him.

He said he was so old he could remember when the bigdipper was just a drinking cup.

'Mum's the Word!'

Private Pilots To Register For Civilian Defense Work

Private pilots and their airplanes in Disaster District 16, comprising 12 counties, soon will be registered and organized into a standby "civilian air force" ready to go into action on a moment's notice in event of disaster.

Ben F. Lowell, of Wichita Falls, is the newly-named District 16 Coordinator of Aviation under a state-wide program for Civil Air Mobilization in Disaster Relief and Civil Defense and is in charge of plans and registration in 12 Disaster District 16 counties. His appointment has been announced by Cliff Green of Austin, Coordinator of Civil Air Mobilization and Director of the Texas Aeronautics Commission, and approved by the State Civil Defense and Disaster Relief Headquarters at Austin.

Counties in Lowell's District 16 include Wichita, Archer, Montague, Clay, Wilbarger, Hardeman, Baylor, Knox, Foard, Cottle, King and Young.

A county-wide meeting will be called for each county in the near future by Lowell or by an appointed member of his District 16 Aviation Advisory Council, at which details and objectives of the program will be outlined. Pilots, plane owners, and airport service operators in the area will recommend a County Chief of Aviation who will be in charge of inventorying the county's civil airpower. His appointment will be formalized by Green in Austin. Such data from

each District 16 county will be forwarded to Motley's District Headquarters. Copies will go to State Headquarters in Austin. In revealing plans for the approaching meetings, Lowell urged all airmen and airport operators in each of the counties in his district to be on the alert for an announcement of a time, date and place, and to make every possible effort to attend.

OPS Representative To Visit in Vernon

A representative from the Fort Worth district Office of Price Stabilization will be in Vernon Feb. 19 from 9 a. m. to 5 p. m. The business analyst will be at the County Courthouse in the afternoon to assist any businessman who has questions or problems concerning price control regulations.

The meeting was arranged by W. H. Wright, manager of the Vernon Chamber of Commerce. Businessmen who need assistance with their regulations are urged to take advantage of this opportunity to see the OPS representative.

Real Estate
BEFORE YOU ARE READY FOR THE NUT HOUSE, trying to sell, or buy... COME IN. WE WILL HELP YOU.

HOME NO. 1
A beautiful home in southwest Vernon, with everything, even a good well of water, garden to raise your own food. Good house, orchard, rose garden, cooling system, floor furnace, closets galore. Not Alia Kain's place, but a fine place.

HOME NO. 2
Another place to call home in southwest Vernon big lot, orchard, wall to wall carpet, nine closets, in fact it is all you can ask for.

HOME NO. 3
Two houses in the same part of town, built good, not so fancy, but worth the money at \$3500.00 per, close to schools, comfortable and neat.

HOME NO. 4
Spring will soon be here, and you will want to get your toes in the good earth, little home on Sand Road with 4 1/2 acres.

HOME NO. 5
Nice 4 rooms on 11th Street, price down in our case about \$1400.00 will start you paying for ten years. It is new and worth the money.

HOME NO. 6, 7, 8, 9, 10, 11
We have most of the houses in Vernon that are for sale. Fine ones \$50,000.00 down to \$1900.00. Call us anytime except church time we have two good cars, and we will be glad to show them.

FARMS AND RANCHES
Believe it or not we have a ranch with a 1,000,000 acres at 70 cents per acre, with 80 miles of irrigation pipe, 100 miles of fence, 3 sets of improvements, and 80 miles of lake front. Can you beat that? Also ranches in Oklahoma, South Texas, Central Texas, New Mexico and Arizona.

FARM NO. 1
160 acres of good land, all in wheat and you get the wheat, all of it, good house, barn, chicken house and garage. \$150.00 per acre.
FARM NO. 2
160 acres of good land that will make a crop, deep-broke and ready, good house, chicken house, barn, good water, in fact this good for \$150.00 per acre, but you will have to hurry if you want possession this year.
FARM NO. 3
300 acres of good wheat land at \$125.00 per acre. Close to Vernon.
FARM NO. 4
80 acres at \$100.00 per acre. It's in perfect shape to make a crop. It has been in past two years, and rye and vetch two years.
FARM NO. 5
80 acres near town with good house. This one is in the shadow of the court house.
FARM NO. 6
225 acres of the most productive land in the country. Just ask Lee Glazener. This place has two sets of improvements.
FARM NO. 7
200 acres north of Oklahoma, good improvements, some pasture.
FARM NO. 8
125 acres on highway, most of it is sub-irrigated. Really worth the money.
FARM NO. 9
160 acres near Odell, good improvements and extra good dirt.
FARM NO. 10
160 acres in Farmers Valley, 100 cultivated, 60 pasture.

CLEAN THAT HOLDER
Wash your cigarette holder at least once a week if it is used frequently. Pipe cleaners are good tools to help eliminate tobacco "leftovers" hidden in the cracks. Take the holder apart to make sure soap lather reaches into the inner recesses.

We have no worries since we let Leggett Motors take care of our car.

Prompt, efficient repair, and maintenance for your car.

A good selection of clean, reasonably priced used cars—'51 through '39 models... all ready and "tarin" to go!

XXXIX
So the weeks passed, spent on alternating tides of fear and desire, menace and security, ice and fire. There were times when love was enough and there were times when even love did not ease the frustration of Peter's exile from research. Unwilling to live on Jennet's money, Peter had taken a job in the experimental division of a television firm. They assured each other that it was only a temporary measure, but the days went by. Christmas, New Year's, January was half gone, and they had not heard.

It was an unpalatable irony that at that moment when her own life had assumed a greeting-card loneliness, Peter's should have lost it; a further irony that she was as powerless to restore it to him as he was empowered to award it to her.

For her, Peter had changed everything. He had transformed her from child to woman, and she took a fierce pleasure in her womanly tasks. She did her own housework now—Ingrid, unable to transfer allegiance to a new master, had gone—and under Jennet's family-izing dust cloth, vacuum cleaner, scrub brush, the house lost the animistic tyranny with which she had moodily imbued it, became a functionally pleasant place in which one did one's living. She had ceased play-acting the role of mistress of the house, had, by virtue of her new seniority, reduced the house to service. The white picket fence was no longer a confinement but an embrace.

In the way of women whose husbands are not watchful of money, Jennet had become not only practical but thrifty, instituting of her own accord economy measures that once would have

from the Division of Biology and Medicine of the Atomic Energy Commission. The experiment to which it refers will, if successful, protect human beings from the damage of atomic bombing.

He paused, glanced at the superintendents' drumming fingers which had begun to beat the table with the frenzy of a Geiger counter put to pitchblende. The fingers stopped then and Dr. Pelletier continued.

"The idea for this piece of work is Peter Surinov's. The work was started here last May by Peter Surinov. The United States Government says it may be continued by Peter Surinov. And frankly, gentlemen, I say it must be done by Peter Surinov or not at this hospital at all. In view of the confused and tragic circumstances under which Dr. Surinov was released from Angels some months ago, I want to get this committee's approval before re-appointing him to my department staff."

"It was this committee that fired him!" Dr. Pelletier bellowed. "How technical can you get? This is a medical board, not a court of law."

"The firing was different," Cota retorted. "The loyalty oath involved hospital policy."

"I want the matter cleared through this committee," Dr. Pelletier insisted. "I'm not finicky about points of order. There's too much at stake. Last time the main issue of Peter Surinov's loyalty was lost in the explosion of a dirty stick of homemade dynamite. It killed our beloved colleague, Gus Logan. I'm not going to let it maim a great young scientist. Scientists like Peter Surinov are rare birds. Superintendents like Maxwell Cota are a dime a dozen!"

"By God," Cota shrieked, "if men like me are a dime a dozen, then X-ray men like you must be sold by the bunch!"

(To Be Concluded)

COOKING'S FUN!

FAMILY LUNCH
Sliced Ham
Salad Bowl
Quick Pineapple Muffins
Beverage

Quick Pineapple Muffins
Ingredients: 1/4 cup butter or margarine, 1-3 cup sugar, 1 egg, 2 cups sifted self-rising cake flour, one 9-ounce can sweetened crushed pineapple.
Method: Cream butter and sugar in large mixing bowl; add egg and beat for several minutes. Add flour and pineapple (including syrup from can) and stir only enough to moisten dry ingredients. Fill 12 buttered muffin pans (one-third cup size) with batter; bake in hot (425°F.) oven 20 minutes or until toothpick inserted in center of muffin comes out clean. Serve hot.

WEEKDAY LUNCH
Shirred Eggs with Tongue and Swiss Cheese
Green Peas
Bread and Butter
Cookies
Beverage
Shirred Eggs with Tongue and Swiss Cheese

Ingredients: For each serving use: butter or margarine, 1 tablespoon heavy cream, 1/4 cup short thin strips cooked smoked tongue, 2 eggs, 2 tablespoons finely grated Swiss cheese, salt and freshly-ground pepper.
Method: Grease individual heat-resistant glass 6-inch pie plate

with butter. Put cream into pie plate; place tongue strips over cream; break eggs over tongue; sprinkle eggs with grated Swiss cheese. Bake in slow (325°F.) oven until eggs are as firm as desired—15 to 20 minutes. Serve at once. Pass salt and pepper with eggs.

UNDERPAID ALDERMEN
Toronto. (AP)—Toronto's 18 aldermen are "the most exploited group of workers in the city" says Ford Brand, member of the Board of Control. He said in a recent speech that on an hourly basis, the \$1,200 paid annually to the aldermen averages 37 cents an hour.

SPECIAL TRAIN RATE
Rome. (AP)—The Italian state railroads are selling special low-priced railroad tickets abroad to enable tourists to visit Italy at low cost. The tickets are sold only at travel agencies to travelers with a passport which enables them to travel in Italy.

JOE PALOOKA

by HAM FISHER

U.S. PAT. OFF.

CONTINUED •

THE
CABBIE
AND JOE
TRAIL
THE
CROOKS
AND
HUMPHREY
TO AN
AMBUSH.

IT'S A D-DEAD END...
THEY'VE STOPPED...
WOT'LL WE DO...W-WE
AIN'T GOT G-GUNS,
JOE...

RUN BACK FAST...LOOK
FOR A COP...THE CAB WILL
BLOCK THEM...IT'LL DRAW
THEIR FIRE TOO...I'VE GOT
TO STAY...FOR A WHILE...

WATCH YOURSELF,
JOE... I'LL
FIND ONE...

GO ON, BENNY.
KEEP LOW...THEY
CAN'T SEE YOU.
HURRY...

• LOOK...THERE
HE IS...PLUG
'IM...

MOVE OVER,
FATTY...GIMME
ROOM!

PINGGG
PINGGG

AHA...
THAT DREW
THEIR
FIRE...

SOUNDS
LIKE
SHOTS!

NAH...JUST
A CAR BACK-
FIRING!

HEY.. HEY
PLEEECE!

• YA GOT
'IM!

NOW WE RUSH TH' CAB...
BUT FIRST WE KNOCK OFF
THIS BIG TUB OF...

I HOPE JOE'S ALIVE...
I BEEN GONE
FIFTEEN MINUTES.

HEY... COME OUT
OF THAT CAR WITH
YOUR HANDS UP!!

☆ WHEW☆
THANK HEAVEN.
HE'S SAFE!

WHAT TH'

H'LO, JOE...WOT'CHA
DOIN' HERE...YA
SHOULDN'T TAKE
SECH CHANCES.

...AND THE CUSTOMS
AUTHORITIES HAVE
THE DIAMONDS AND
THE SMUGGLERS...
AND HUMPHREY
HAS HIS SHOES.

TCH TCH! AN' I
THO'T THAT
SMUGGLER
WUZ A NICE
LADY! SORRY
WE KEPT YA
WAITIN', MIZ
PALOOKA.
THAN K'YA.

I'M SO
HAPPY
YOU'RE
SAFE.

Only COLGATE DENTAL CREAM HAS PROVED SO COMPLETELY IT STOPS BAD BREATH!

Scientific Tests Prove That In 7 Out of 10 Cases, Colgate's Instantly Stops Bad Breath That Originates In The Mouth!

Colgate's Has the Proof!
IT CLEANS YOUR BREATH WHILE IT CLEANS YOUR TEETH!

For "all day" protection, always brush your teeth right after eating with Colgate Dental Cream. Remember! Some toothpastes and powders claim to sweeten breath. But only Colgate's has such complete proof that it stops bad breath.*

Colgate's Has the Proof!
COLGATE DENTAL CREAM IS BEST FOR FLAVOR!

Colgate's wonderful wake-up flavor is the favorite of men, women and children from coast to coast. Nationwide tests of leading toothpastes prove that Colgate Dental Cream is preferred for flavor over all other brands tested!

Colgate's Has the Proof!
THE COLGATE WAY STOPS TOOTH DECAY BEST!

Yes, science has proved that brushing teeth right after eating with Colgate Dental Cream stops tooth decay best! In fact, the Colgate way is the most thoroughly proved and accepted home method of oral hygiene known today!

No Other Toothpaste or Powder OF ANY KIND WHATSOEVER Offers Such Conclusive Proof!

Compare it For Value, too!

Babe 'n' Horace

...SO JOE TOLD HIS BOSS HE WAS QUITTING! HE SAID, "TWENTY YEARS AGO WHEN I CAME HERE I WAS HANDED A BROOM AND TOLD TO SWEEP!"

"NOW, SAID HE, I'M STILL PUSHING THAT BROOM, AND I'M BEGINNING TO THINK THERE'S NOT MUCH CHANCE OF ADVANCEMENT!" THE BOSS SAID HE DID NOT REALIZE JOE FELT THAT WAY AND HED SEE WHAT COULD BE DONE!

WELL, NEXT DAY AFTER A MEETING OF THE BOARD OF DIRECTORS, THEY GAVE JOE A NEW BROOM!

HORACE, I DON'T THINK THAT STORY'S FUNNY!

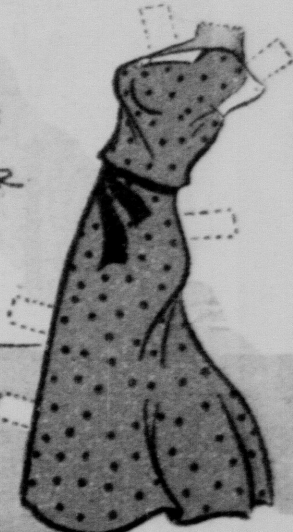

THEY COULD AT LEAST HAVE GIVEN THE POOR MAN A VACUUM CLEANER!

A Lift... for Life!

At 10-2-4 o'clock!

Drink **Dr Pepper**

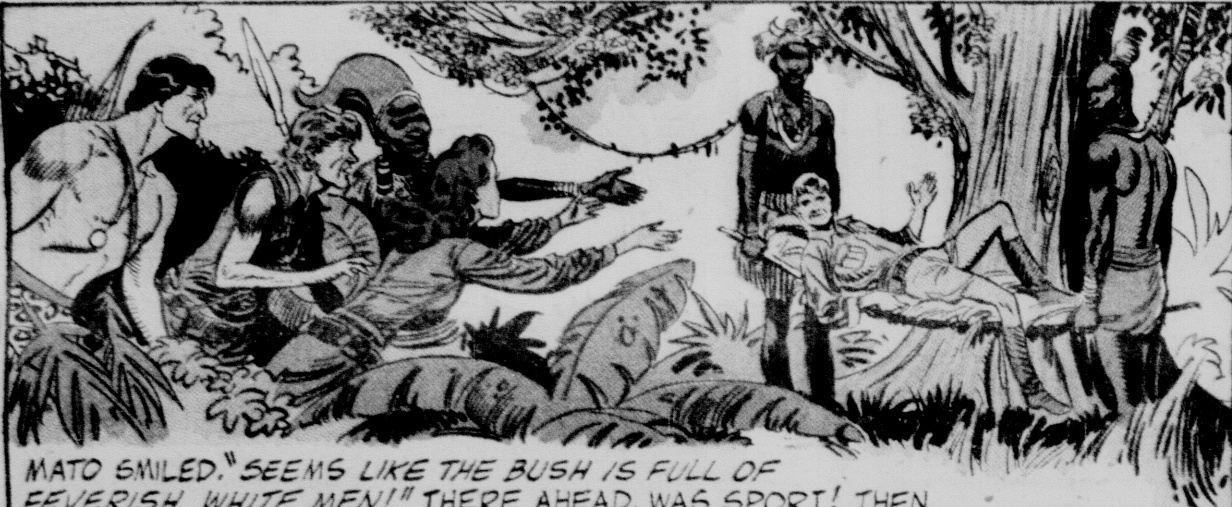

Here's a sparkling drink that's more than just a flavor sensation—it's a different kind of "pick-up drink" that "lifts" your energy within 2 to 8 minutes! Dr. Pepper is as wholesome as it is delicious—so enjoy it every day at 10, 2, and 4. Chill an extra carton for your family, today!

Tarzan

by EDGAR RICE BURROUGHS

AFTER THE TRAITOROUS SOBU WAS EXECUTED, MATO LED HIS FRIENDS TO WHERE HE SAID HE HAD A SURPRISE WAITING.

MATO SMILED. "SEEMS LIKE THE BUSH IS FULL OF FEVERISH WHITE MEN!" THERE, AHEAD, WAS SPORT! THEN, SUDDENLY, THE GIRL RUSHED FORWARD. "OH, RALPH, RALPH!" SHE SOBBED. THE MAN GRINNED SHEEPISHLY, "TAKE IT EASY, LYNN."

TUSKER WAS STUNNED, BITTER, SAID, "YOU WERE LOOKING FOR HIM? SPORT?"

LYNN LAUGHED. "OF COURSE. I DIDN'T HAVE TIME TO TELL YOU BEFORE --" TUSKER CHOKED, "SKIP IT, I SHOULD HAVE KNOWN BETTER. C'MON, TARZAN... LET'S LEAVE THE LOVE BIRDS ALONE."

"BUT YOU DON'T UNDERSTAND," SAID THE GIRL. "RALPH, OR SPORT AS YOU CALL HIM, IS MY BROTHER! HE THOUGHT HE KILLED A MAN BACK IN THE STATES--THAT IS WHY HE FLED TO AFRICA!" SHE TURNED HAPPILY. "BUT THE MAN LIVED, RALPH, AND DIDN'T PRESS CHARGES. YOU'RE FREE!"

"NOW WE CAN ALL GO HOME," SHE CONCLUDED, LOOKING DIRECTLY INTO TUSKER'S EYES. "WHAT MAKES YOU THINK I'LL GO?" HE SAID SHYLY. "BECAUSE I LOVE YOU, YOU WILL GO," SHE ANSWERED.

Captain EASY

I'M NERVOUS, QUAKE. WE'VE BEEN HERE LONG ENOUGH!

YEAH, THIS IS ALL THE STUFF WE CAN CARRY. LET'S GO!

A black and white illustration of two men in trench coats and hats running. The man in the foreground is carrying a large sack over his shoulder and is being pulled back by a bright, diagonal beam of light. The man behind him is also running, looking back over his shoulder. The scene is set against a dark, textured background.

New **FAB** washes clothes
WHITER
WITHOUT BLEACHING
 than any other product with bleaching!

Yes, Whiter and Cleaner than any soap with bleaching!

IT'S AMAZING — BUT TRUE! New Fab washes clothes whiter *without* bleaching, keeps washable colors looking *brighter*! Yes, Fab washes whiter without bleaching than any soap... whiter than any other "no-rinse" suds or any washing product known *with* bleach in the wash water.

What's more, freshly rinsed Fab clothes are cleaner than you can get them with any soap. Fab washes out the grimy dirt, leaves no dulling soap film in the hardest water. With Fab, clothes get whiter and whiter... colors get brighter and brighter... and you have the sweetest-smelling wash in the world!

SAVE WORK! Fab immediately loosens dirt. No soaking is needed! Since Fab keeps dirt floating in the wash water, you can stop rinsing — save half your work!

SAVE CLOTHES! New Fab washes so dazzling white you don't need bleach. Clothes last longer with no bleach to weaken fabrics or fade pretty washable colors.

SAVE HANDS! New Fab is wonderfully mild to hands... and is safe to use on baby's clothes. What's more, Fab is kind to your own pretty washables. Get the economical **GIANT SIZE**.

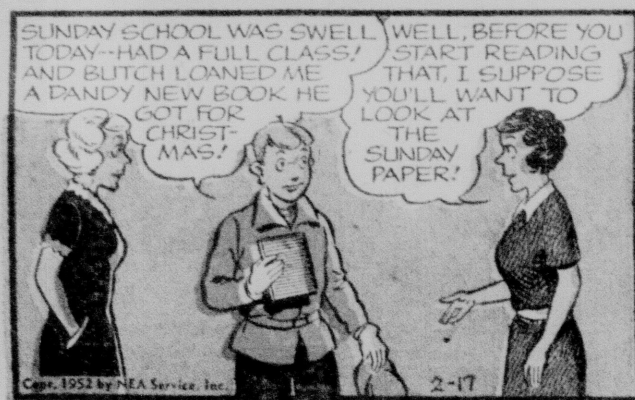

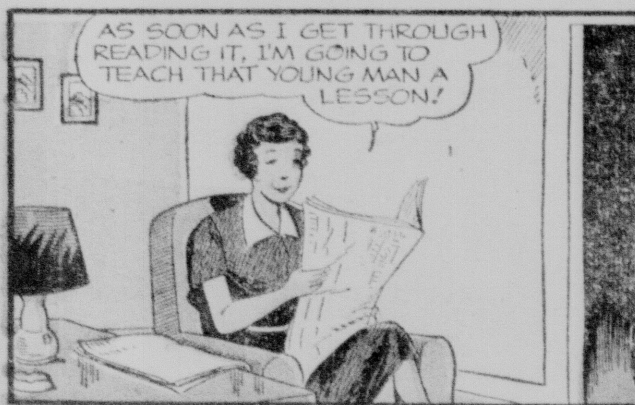

AND, YOU CAN STOP RINSING! Fab gives you the cleanest possible, sweetest-smelling "no-rinse" wash!
